

## Appendix 3: Covenant Theology in the Westminster Standards

Christ Community Church (and the PCA) subscribe to the Westminster Standards as accurately teaching the doctrine taught in Scripture. Our ultimate authority is Scripture, for it is the living Word of God, breathed out by Him. The Standards are our secondary authority and are “subject to and subordinate to the Scriptures.” The Westminster Standards are comprised of the Westminster Confession of Faith (WCF) together with the Larger (WLC) and Shorter (WSC) Catechisms. Additionally, “First Catechism” is designed for young children as a simplified version of the WSC. Though it is not an authoritative standard, we include it here for helpfulness.

With that in mind, here is where you can read in the Westminster Standards about Covenant Theology.

	WCF	WLC	WSC	First Catechism
<i>Covenant of Redemption</i>	3.3-8	12-13	7	(implicit)
