Week 3, March 15-21

## Once-a-Week Family/Home Worship

*Focus: Generous Hearts*

### **Pray**

**Read** Luke 6:43-45 and Ephesians 4:22-24

**Discuss** How has living generously been a challenge this week? Has there been anything particular?

Generosity begins in our hearts – and flows out in our words, relationships, time, giving, and worship. Why must we remember that our hearts are the root of generosity?

How has God grown your heart in generosity?

God is renewing our hearts after his likeness – to be generous like he is! In what area of life do you need God to renew you toward generosity? (Pray for that below.)

**Sing** *Take My Life and Let It Be*  
(or another song from the bulletin this week)
